VALOR CHRISTIAN HIGH SCHOOL

INFLUENCE THROUGH EXCELLENCE

WORLD LANGUAGES CHINESE-FRENCH-GERMAN-SPANISH

God deeply desires to be in relationship with each one of us, and that we also have meaningful relationships with others, and not just with those who speak English. Because of that, the Valor World Languages Department strongly believes that it is essential for us as Christians to reach out in the name of Christ to other peoples of the world through their own languages and their own cultures. To that end, the primary aim of the World Languages Department is that Valor students be functionally fluent in their language of choice by the conclusion of their four years of study and are inspired to go on to use their language abilities in a God-glorifying way in their future relationships, jobs, sports teams and ministries.
