

## 2011-12 Class Fees

The lab fees for classes offered at Valor are listed below. These fees help cover the cost of consumable materials and supplies used in each class. All fees are processed through FACTS Tuition Management. This allows families some new options such as optional 30-day or 3-month payment plan for Class and Athletic fees and the convenience to pay all Student Fees in one location.

[Click here](#) to create a FACTS account, if you haven't already done so.

Questions? Contact [Mrs. Sarah Rice](#) in Student Billing.
